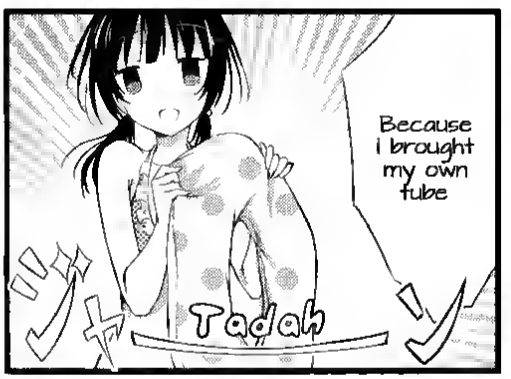
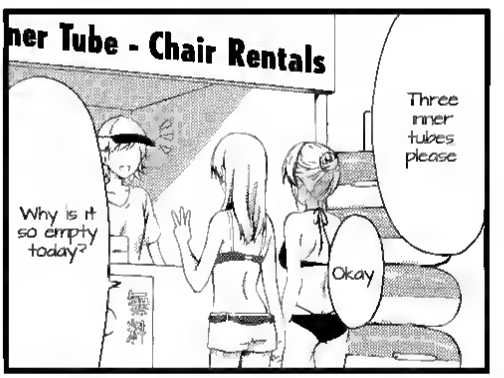
I am fine

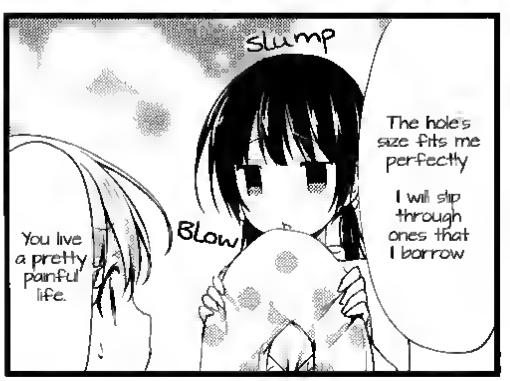
I'll help
I'll go grab some.
Who wants one?



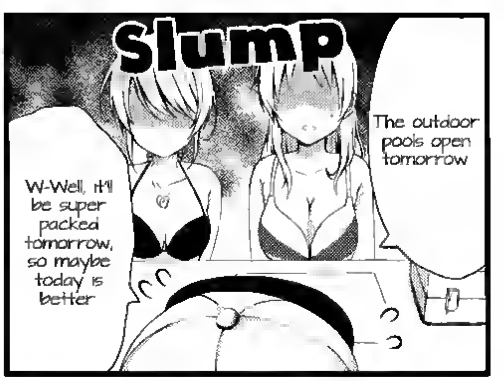
Because I brought my own tube
Tadah



ner Tube - Chair Rentals
Three inner tubes please
Why is it so empty today?
Okay



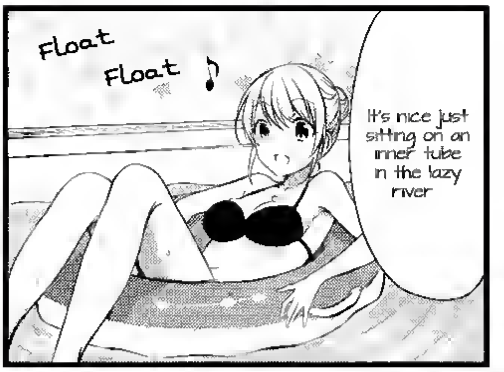
slump
The hole's size fits me perfectly
I will slip through ones that I borrow
Blow
You live a pretty painful life.



Slump
The outdoor pools open tomorrow
W-Well, it'll be super packed tomorrow, so maybe today is better

じゃぼん
Splash
The outdoor pools open tomorrow, huh.
Pretty bad timing.
But there's a water slide inside too
Thump
Thump
Thump
Splash
I made it
It was kinda fun.
What's wrong, Satsuki-chan?
Water slide
And it's empty, so we can ride it as much as we want
Don't have to wait in line.
Now that I've ridden it, I'm fine!
Sorry for worrying you!
Haruko?
I can't take thrill rides!
I am small so when I ride these sometimes I will slip out
Sorry for bothering you.
You are welcome here.
Eeek!
I'm scared!
Be as scared as you like
Squeeze

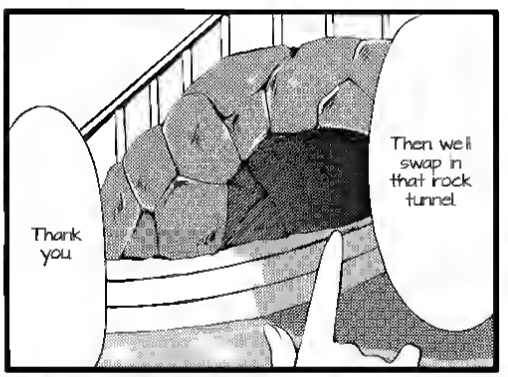
Oh, right Natsuko-chan.
Could we swap for a bit?



Float
Float
It's nice just sitting on an inner tube in the lazy river

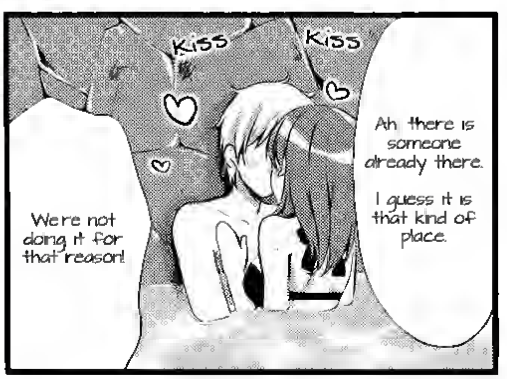
What's up?
There is something I want to try

Slap
Just floating along is not all there is to a lazy river!
Goggles?!



Then we'll swap in that rock tunnel.
Thank you.

?
Pimp



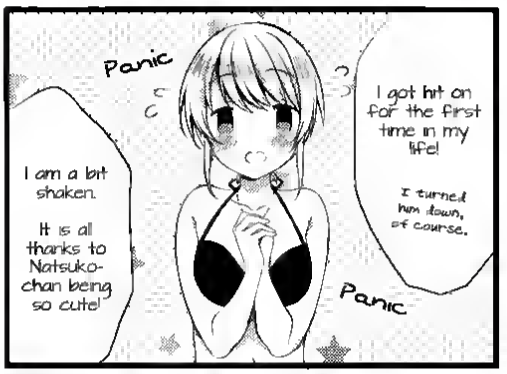
Kiss
Kiss
Ah there is someone already there.
I guess it is that kind of place.
We're not doing it for that reason!

Nice scenery
Ahhh
You shouldn't do that ever again.

Well, then.
We just need to press our lips together so let's do it underwater
All right
.....
Pimp
What are you doing?
Kiss
I have heard that breasts float so I am trying it, but I cannot really tell
They need to be bigger for that
Poof
That was a unique kind of play
Just do what you wanted to do and give my body back.

SLIDE
Hey, listen!

Get me a cola then.
I am getting thirsty
Anyone else want a drink?
I'll have some tea



Panic
I got hit on for the first time in my life!
I turned him down, of course.
I am a bit shaken.
It is all thanks to Natsuko-chan being so cute!
Panic

What should I get?
Hey, babe ♥

Slump
No way, Haruko, you've got a cuter face
You just look really serious so it's difficult to speak to you
And I look really flashy

I want something bubbly, but maybe water would be best to rehydrate
You gonna ignore me, babe?

But it's fine!
I dress myself up like that because I want to!
Natsuko-chan isn't good at dealing with boys
She's pretty pure inside

Turn
Wait, were you speaking to me?!
Uh, yeah
W-Why?

Fidget
Everyone changes hidden beneath a towel or in the shower
Even though they take it all off at an onsen.
Fidget

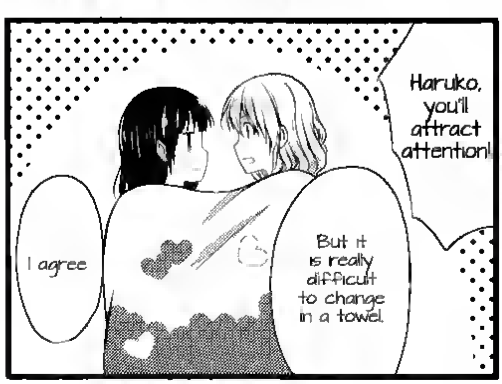
We sure played a lot
I'm worn out
But changing after the pool is a pain.

Maybe since everyone else is doing it you feel like you have to, as well.
If you're the only one doing it you'll attract attention.

Since you can wear your swimsuit beneath your clothes on the way it's easier
Pat
Pat

Boom
I will change that!

Ahahah~
But when you wear your swimsuit underneath on the way you might forget to bring a change of underwear



Haruko, you'll attract attention!
I agree
But it is really difficult to change in a towel.

Excitement
It would be a big problem if you forgot
Your problem is probably different from what I mean.
Sounds fun.

新

Bam
Me running around in gal clothing.

Please!
Take my body and go to work for me

?
Excited
I am interested, so please take some pictures
Eh?
All right
You're interested in that kind of thing, Haruko?
Excited

Natsuko-chan, you have a part time job, huh.
But a model I love is doing an event on the same day and I really want to go
Sorry for being selfish.
I occasionally help out my uncle.
I have nothing else to do, so it is fine

On the day.
Well then, I'll see you later
I already took care of putting out all the merchandise, so you just need to handle the register
Here's a note explaining how to use it

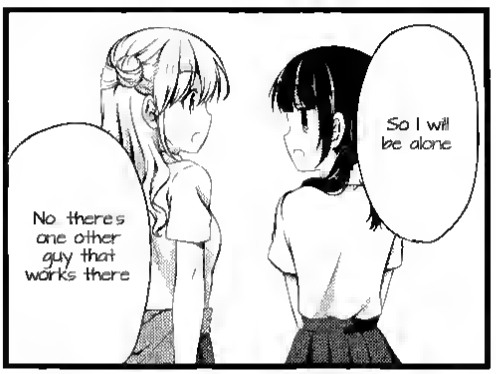
But will we not be found out?
It's fine
My uncle won't be there that day

Thank you so much
I'll do anything you want to repay you



So I will be alone
No there's one other guy that works there

Sparkle
Eh!?
Anything you say?!

Grin
But I haven't ever said a thing to him, so you'll be fine if you don't say anything

Fidget
Fidget
Yeah!
I'm causing you trouble, so I'll do anything
Squeeze
Oh no...
It is not as fun when you do not resist

What's wrong?
I feel like the hurdle has actually been raised
She really is not good with guys, huh.

Beep
Beep
OK
I will check with Natsuko whether it is all right to greet him.
It is difficult like this.
Ah.
Panic
I don't know Natsuko-chan's email...!

It is easier than I thought
And I can read.

That reply was fast!
It has only been a few seconds.

That girl is nice, huh!?
I also have her photo collection!
The way her breasts hang is just wonderful.

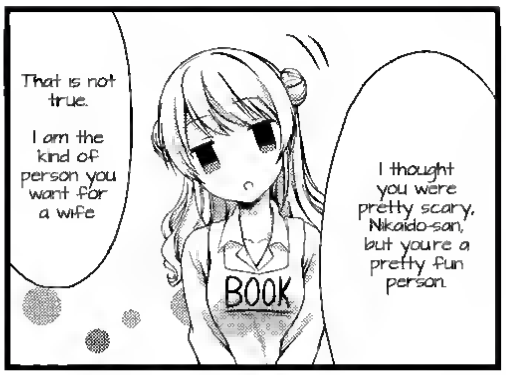
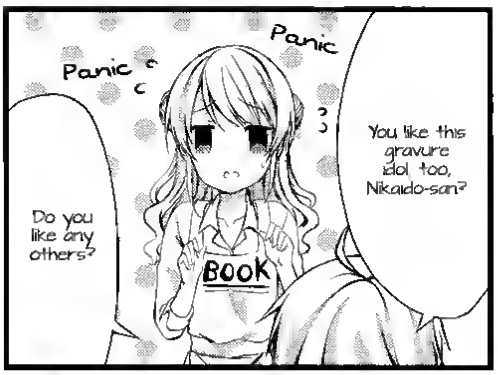
It is high school girl power, huh.
Though I am one, too.
For now I will just say understood



I thought you were pretty scary, Nikaido-san, but you're a pretty fun person.
BOOK
That is not true.
I am the kind of person you want for a wife

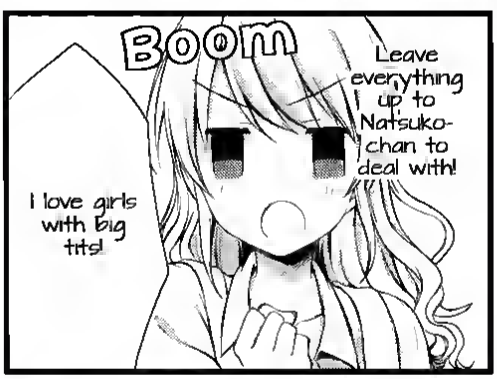


Panic
Panic
You like this gravure idol too, Nikaido-san?
BOOK
Do you like any others?

You really are funny
BOOK

What should I do?
This is a problem.
I am not good at lying, so should I change the subject...?
Or, instead just...

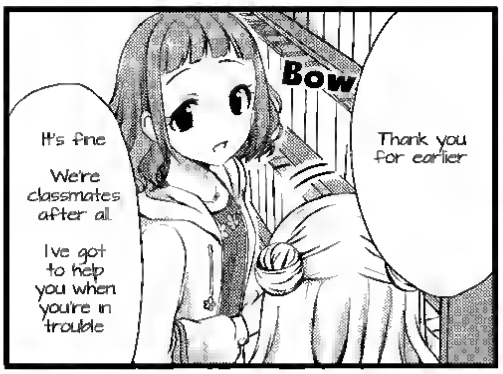
Blush
So do you have a boyfriend?



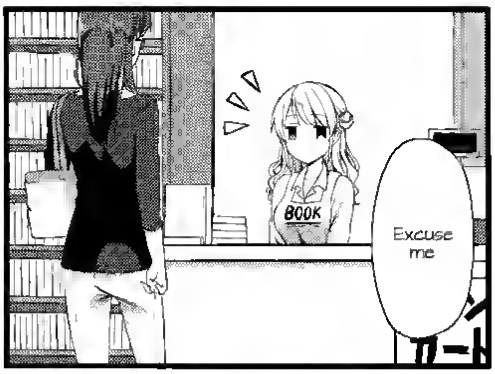
Boom
Leave everything up to Natsuko-chan to deal with!
I love girls with big tits!

I do not know
I do not think I have any interest in that kind of thing.
You don't know about yourself?!

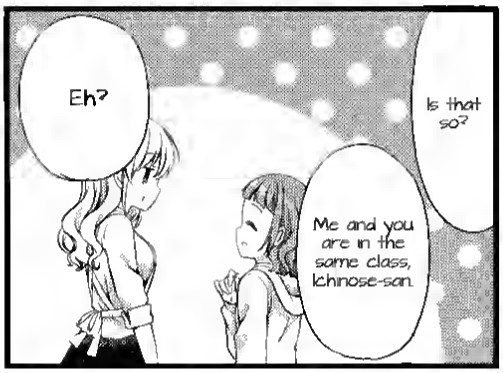
So lately I also like this girl on the next page.
Huh, I've never seen her before
This girl looks soft, so I like her, too



Bow
Thank you for earlier
It's fine
We're classmates after all.
I've got to help you when you're in trouble

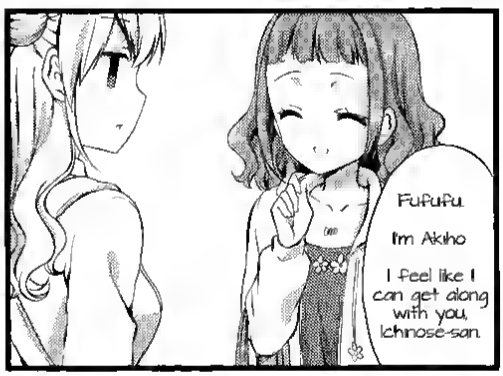


BOOK
Excuse me



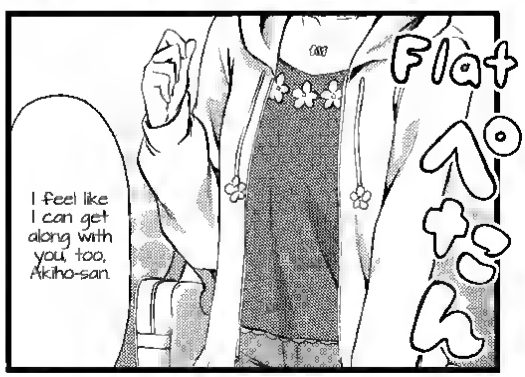
Eh?
Is that so?
Me and you are in the same class, Ichinose-san.

Do you have a book called "The Edge of Love"?
It went on sale today.
I do not know
What should I do?
Eh, um..



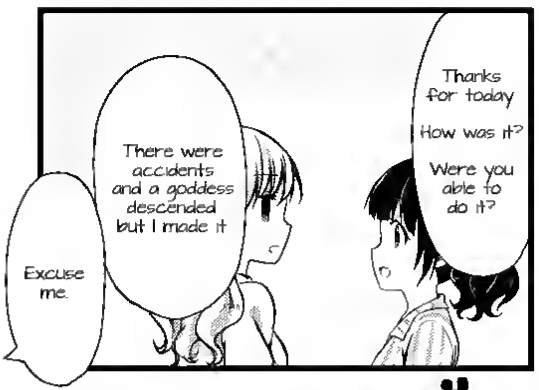
Fufufu
I'm Akiho
I feel like I can get along with you, Ichinose-san.

That's over in the new release section.



Flat
ぺたん
I feel like I can get along with you, too, Akiho-san.

Gleam
A goddess has descended.
I should take a look around and try to remember, myself.

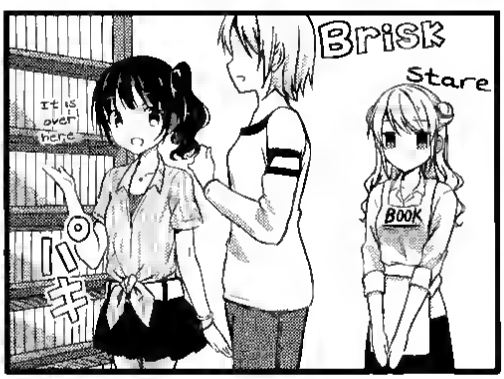


Excuse me.
There were accidents and a goddess descended but I made it
Thanks for today
How was it?
Were you able to do it?

Good work.
Huh?
Wait, did she call me Ichinose..?
BOOK

Business smile
I will be right there!
Do you sell this book?

I was worried, so I came back early
Natsuko-chan!



Brisk

It is over here
BOOK

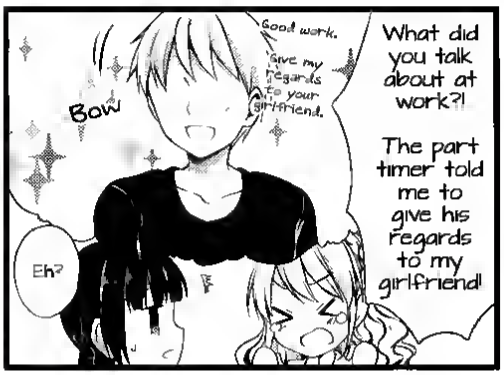
Wait were my breasts that big?
Wow, that looks really different
The hair is amazing.

I will definitely avoid customer service work in the future
I cannot do that.

.....
The clothes were a bit loose, so I bought some pads to put in.
Sorry.

Next day.
Haruko!

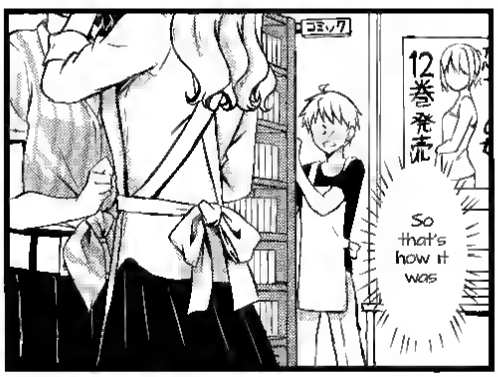
Sorry
Let's swap back and you can go home.
All right



Good work. Give my regards to your girlfriend.
Bow
Eh?
What did you talk about at work?!
The part timer told me to give his regards to my girlfriend!

Kiss

A lot happened
It ended with you liking gravure idols, but I do not know anything about a girlfriend
How did that one happen?!
No, wait, with you it's possible...



コミック

So that's how it was

Waaaaah!
Pat
But this misunderstanding may be a good chance to get along with him.
I'm never going back!

Thump
It was because Nikaido-san liked girls!
Avoiding me, liking gravure idols giving a vague answer to whether she had a boyfriend..
Thump

Strawberry Jam

Hmph
But still, being confused with Ichinose.
It is insulting to me too

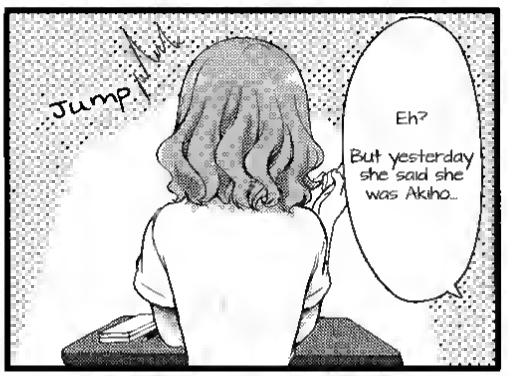
While working yesterday a classmate of ours, Akiho-san, came by
Even though I was swapped with you, she called me Ichinose-san.

Really?
It actually excited me like I was being bad-mouthed.

Huh?
Akiho-san did?
That's odd.
Maybe she just got our names wrong?

What are you saying, Haruko?
That's Shikata Fuyumi-san.
Akiho-san almost never comes to school.

Anyway, let's talk with her when we get to school.



Jump!
Eh?
But yesterday she said she was Akiho...

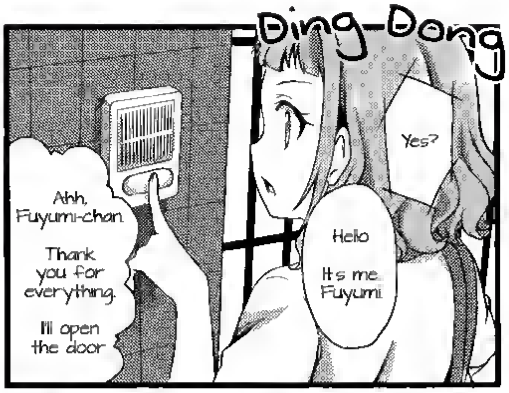
Akiho-san is–
Ah!
Akiho-san!

Slide
You met me yesterday?
Yes
At a bookstore
Do you not remember?

Hmph
What are you saying?
My name is Fuyumi.

Hihihi
Hihihi
Eeek!
All right
We've got to talk after school, so don't leave without me
Even Haruko's being intimidated.

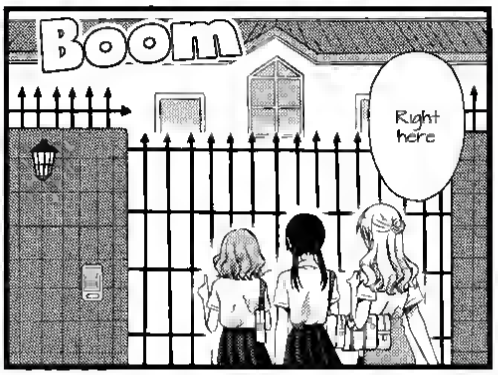
Silence
Huh?
It felt like we could get along better



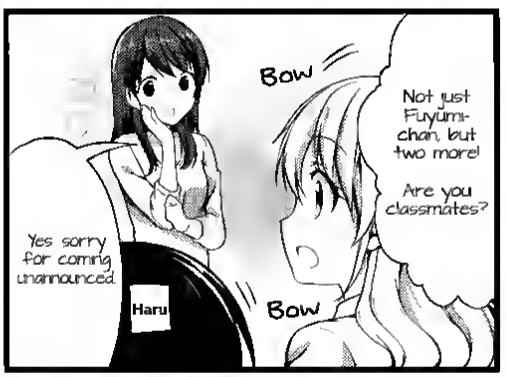
-Ding-Dong
Yes?
Hello
It's me. Fuyumi
Ahh, Fuyumi-chan.
Thank you for everything.
I'll open the door

After school.
Where are we going?

Welcome
Oh, my



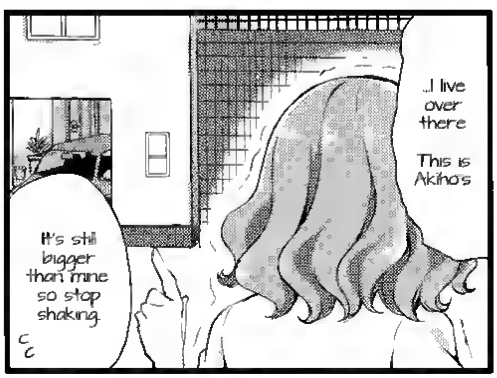
BOOM
Right here



Bow
Not just Fuyumi-chan, but two more!
Are you classmates?
Yes sorry for coming unannounced.
Haru
Bow

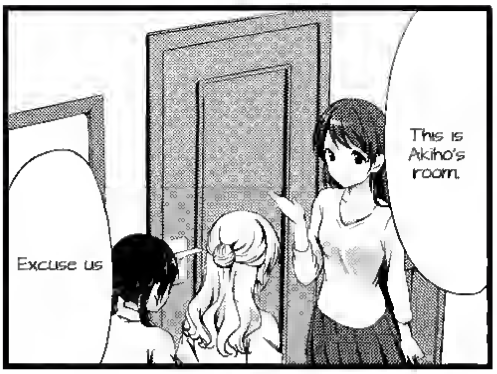
What a huge house...
Is this your house, Fuyumi-san?

I'm so happy
Akiho-chan has friends other than Fuyumi-chan!
Now I feel even closer to Akiho-san.
In the loner sense.



...I live over there
This is Akiho's
It's still bigger than mine so stop shaking.

You've probably realised, but we can also swap



This is Akiho's room.
Excuse us

So that was it, after all
That is why you knew I was Ichinose even though we were swapped.
Yes

Hello
Thank you for coming
It's been a while
Since the last time you came to school.

It's tough to explain, but your aura is different
So I figured you may be but I was certain when I saw you kissing
But the way you can tell which is which is-
She saw us!

Grin
ぽいん
Boing

Boom
the eyes!

I hope we can get along
I feel like I can understand Fuyumi-san better
I have lost my feeling of closeness
Huh?

YES
Do you two also swap by kissing?
Yep

Embarrassed
You say you saw us kissing, but you haven't been coming to school lately Akiho-san.

So did you also figure out you could do it by falling?
...
That's how we did it

Sometimes I borrow Fuyumi-chan's body to go to school.
Since my body is weak and I can't go outside unless I'm having a really good day

Tsu~n
No way
We're not that foolish.
Wha-

On days with gym class, I'll often swap bodies with Fuyumi-chan and go to school.
I like gym.
Do you do it for tests, too?

We kissed because we wanted to
Ehhhh-

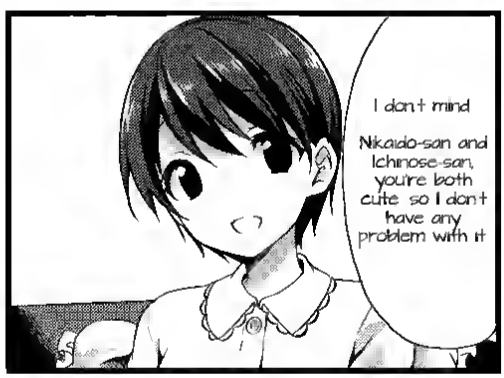
Yes, I take tests for her.
I knew it
Stare

So you have not done it with a person.
Want to try it out?
Since we can both swap there is a good possibility

So there are people other than us that can swap
The possibility that we could swap with others has increased

Grrr
No way!
I won't do it with anyone but Akiho!

I was curious about that too so I already tested it
It didn't work.
You kissed someone else?!



I don't mind
Nikaido-san and Ichinose-san, you're both cute so I don't have any problem with it

My pet dog.
That's not a person!

Ufufu~
Waaagh
Nooo, don't do it!
Don't kiss anyone other than me!
So she's the dominant one, huh.
O。

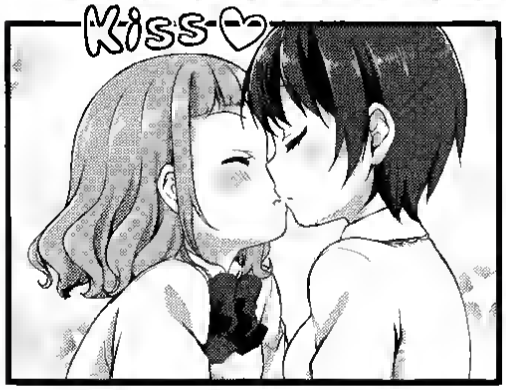
Woof
Woof
If it had worked, it would have been a big problem.
Dealing with her seems like a lot of work.

Well we shouldn't stay too long.
We should get going.
Ah, I'll see you out

Don't get excited just because Akiho called you cute!
I'm cuter, and I have a nicer body than Haruko!
Woosh

It's not that far
We'll be fine
I want to do it
Fuyumi-chan, lend me your body

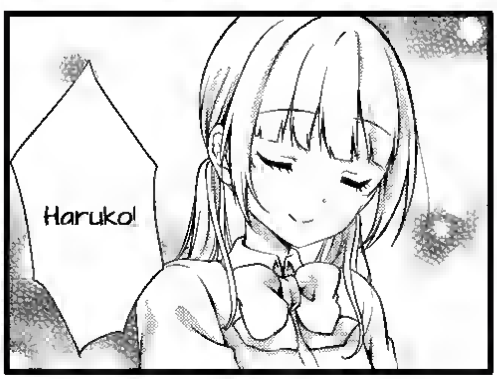
Grab
I do not think that is true



Kiss♡

Squish

Blush
Thump Thump
I've got to be more against it!
I've forgotten lately.
We are always doing that, but seeing someone else do it is a first

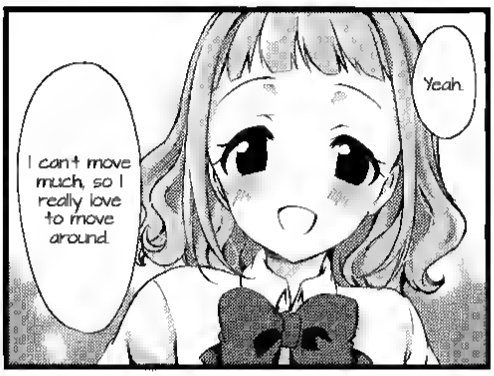


Haruko!

Oh right, Natsuko-chan, would you also be against me kissing someone else?
That's sudden.
I guess I would

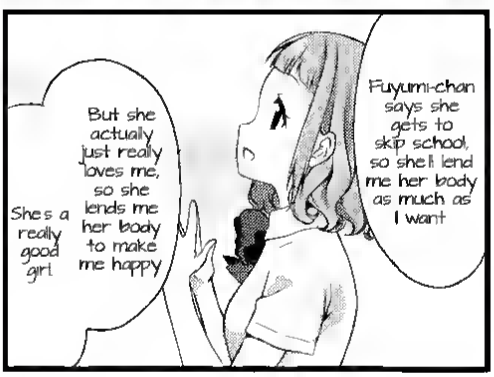
You seem to be enjoying yourself

Because I was your very first friend.
Blush



Yeah.
I can't move much, so I really love to move around.

Natsuko-chan you really like me huh.
I am embarrassed. Ufufufu
Blush



Fuyumi-chan says she gets to skip school, so she'll lend me her body as much as I want
But she actually just really loves me, so she lends me her body to make me happy
She's a really good girl

I like you, too
And Yume-chan and Satsuki-chan too, of course
And me?
You, too, Akina-san.

Likes sleeping more than eating 3 meals a day.
NNN
Though I think part of it is that she also just really likes lying around doing nothing.

creak
Let's get started, then.
Kiss♡
Are you ready?
Yes
Pant

Hmm, I think I'd like this in green more than pink.
Do they have it in other colours?

Thank you.
Yeah.
I think this one looks better for me

And the mirror is extremely crowded

Buying a present?
Kyah Kyah
I'm gonna go buy this ☆

Wooah
It was right for us to come swapped.
No need for a mirror!

70% off
But if you buy multiple grab bags, couldn't you end up with duplicates?
That happens sometimes

Ah, could I stop by a shop I like?
They are selling grab bags at 1100
All right
We'd better get going, then!

I give the extras to my little sister so it works out fine
A lot of women's clothing is one-size which is helpful.

Phew
Thank goodness
We made it in time
They only had 15 of them.

How nice to have a sister
Nnnn
Fufufu
Even when there are no duplicates, we can share the clothes, so it's nice.

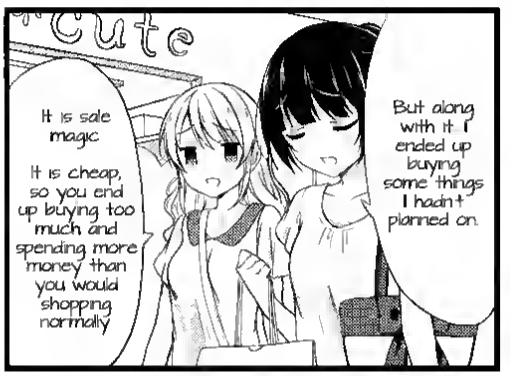
How great
Since I was with you, Natsuko-chan, I was able to buy two
It's limited to one per person.
Ufufufu

Though lately her breasts have gotten larger, so sometimes she doesn't fit into one piece dresses...
Even though I do
Sounds like there can be trouble too!
Cheer up!

There was no reason to swap to buy that though.
But she seems happy, so whatever.

I'm back.
Sorry about that
It is fine
Were you able to buy what you wanted?
Yeah, about half of it

There's a shop I'd like to go to, is that all right?
There's a timed sale starting at 12 with discounted prices
Of course it is fine



But along with it I ended up buying some things I hadn't planned on.
It is sale magic
It is cheap, so you end up buying too much and spending more money than you would shopping normally

Here here!
I already checked out what I want to buy beforehand, and the shop's pretty crowded so you can wait outside.

How're my funds?
.....

Then I'll be waiting here.
Sorry

Guess I'll work more
Enough to make you go back on the fact that you said you were never going back there!?

Huh?
There was no reason to come swapped for this
Well, whatever.
I guess that happens sometimes.

Waaan
Ahhh looking makes me want it!

SAL
Hair accessories are really cheap!

Nod
For that price I would not mind buying it for you.

Looks nice!

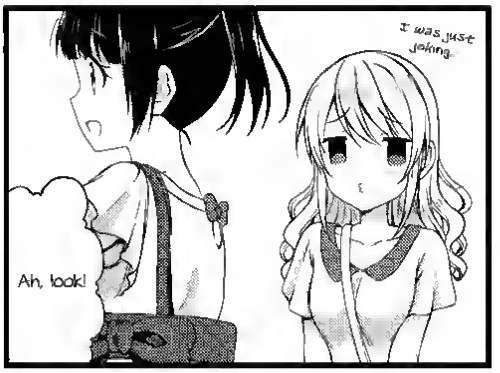
No way!
I'd feel bad
It's fine, I have this much.
It is all right

This does too

I will be sure to take a proper amount of compensation for it later though.
Ufufufu~
Wriggle
Wriggle
I respectfully decline.

Ah, this is cute!
Though not really my style.
I'm a dress-up doll.

Fidget
Fidget
Which do you want?
You pick first Natsuko-chan



I was just joking.
Ah, look!

Are you looking for something?
No we're just wondering who should take what colour.
What do you think?

Isn't this cute?
Let's get matching ones for our bags

Well I think you should have brown and your friend pink.

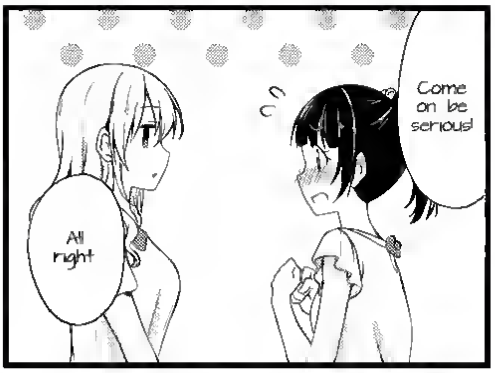
Slump
Ah..
Eh?
You don't want to?

Completely ignoring my advice?!
Then I'll take the pink
And I will take brown.

Ahhh.
I better be nice to her
I have never gotten something matching with a friend before, so I am a bit happy

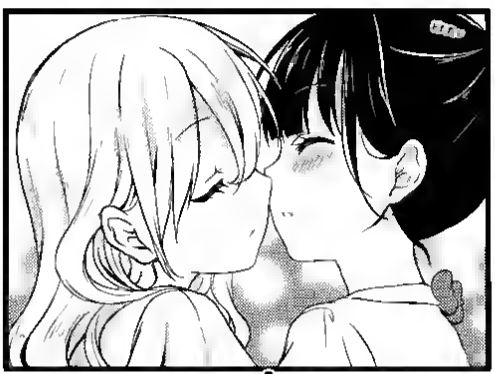
Whoa, pretty view
We've moved past the top so let's turn back
Phew, we sure bought a lot
ちゅ
Smooch
!?!?!?!?
Smooch
ちゅ
Why did you do it twice?!
Blush
Yes
There is one more place I would like to go
Is that all right?
Sure, it's fine
A Ferris wheel
Yes, it was built recently and I have been wanting to ride it
Hmph
I was curious about whether kissing twice would swap us back and make it just a normal kiss
And it was just a normal kiss
Oh my
And it is a private room, so let us swap here before going home
At the top ♥
We'll do it after we pass the top

At school.
Good morning.
Look at this. Natsuko and I bought matching ones yesterday



Come on be serious!
All right

How cute.
Did you go out somewhere?
We swapped and went to some sales



I didn't have much money so I swapped this time, but I won't do it again!
After seeing Fuyumi and Akiho do it, I swore!

Klatch
All right watch your step on your way out

But she'l probably do it again.
She can't resist the usefulness

Ah!

I've got to be more careful about kissing

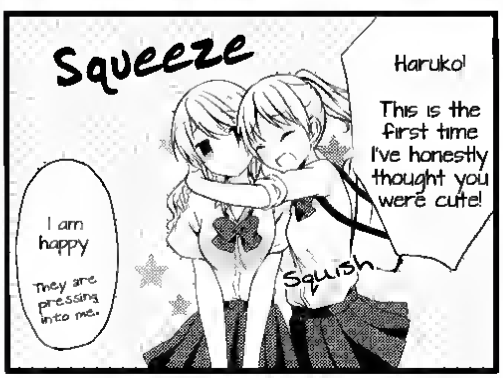
Well, then, let's go to my place
Haruko?

Hooray
Can I go to your place after school, Yume?
All right
Of course.
This is the second time you've come over huh?
Come on.

To be honest, this is the first time I have gone to a friend's house so I am excited
Going to Akino's house was not for fun.

It would be strange for you to go home while swapped Haruko, so wanna come to my place?
Is that okay?



Squeeze
Haruko!
This is the first time I've honestly thought you were cute!
Squish
I am happy
They are pressing into me.

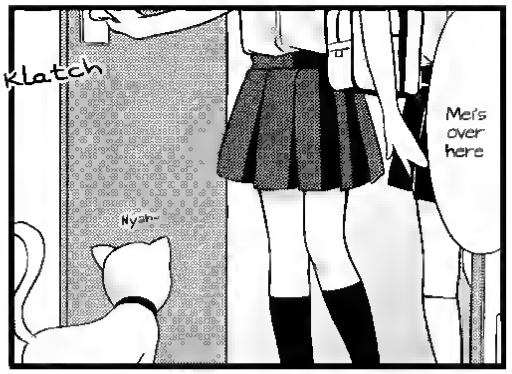
I've got little brothers



Klatch

Excuse me.
Come on in.

Nyah~

I'm not sneezing, so I guess it'll be okay but I'm still scared.

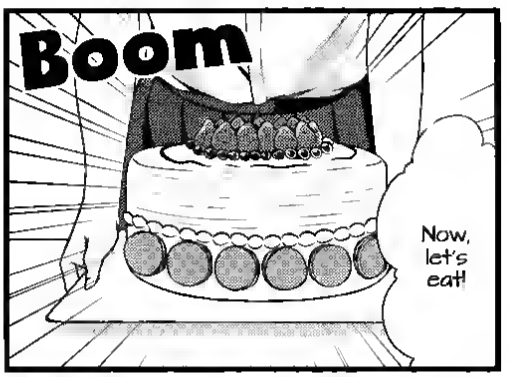
What a cute girl.
Oh? A friend?
Ah, Yume's mum.
Yeah. I wanted to show her Mei.

Thump
Thump

Bow
This is the first time you've come over, huh? Enjoy yourself.
Ah, yes! Thank you.
Even people I've met before are strangers when I meet them while swapped.

Deeply moved
I touched him!

I could use this!
Natsuko-chan, you've got a bad look on your face.



You don't have any allergies right?
Nope
I'm even fine with cedar
But there's nothing you're bad with, Yume so you don't have any need to swap

TL Note: Cedar is known as a particularly bad pollen in Japan.

Slide
Hey wanna try it out?
Chomp
Munch Munch
Yeah, I've got an older brother
By the way do you have any siblings Yume?
Chomp
I mean we don't know for sure that we can't swap do we?
How nice
Haruko has a younger sister and Satsuki's got younger brothers
Only I am an only child.
So
How nice!
How nice!
How nice!
How nice!
How nice!
How nice!
Siblings are nice huh?
Stop!
This is Haruko's body!
Oh, that's right
How nice!
How nice!
That may have been one of her original reasons for swapping

I wonder how Haruko's doing
I'll call her

Though, knowing Haruko she would probably welcome it

Hello Satsuki?
Hi
Have fun with the cat?
Yeah, lots!
How's it going over there?

So then, it would be all right when you're in your own body Natsuko-chan?
THUMP

Haruko's playing with my little brothers
She's got a younger sister, so she's good at dealing with children
However...

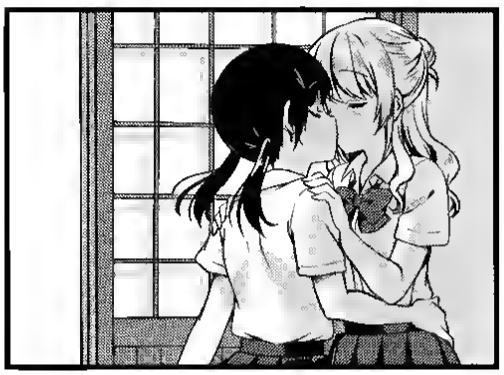
No way, Yume!
You've got to be more careful with kissing!

Hohoho.
Ni-chan, let me too.
One more...
It's become a fact that you're really good at video games
Bip
Bip

But I won't say anything
Oh, no
That's not convincing at all from her

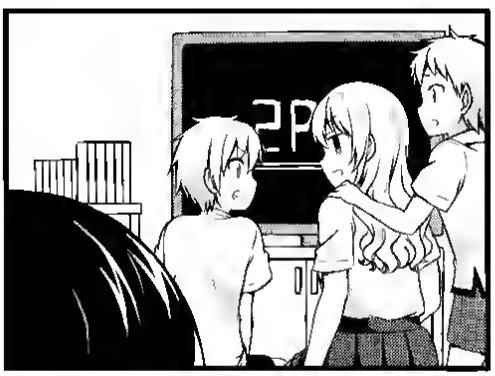
Haruko
Come here.
Ah, Natsuko-chan.
Did you have fun playing with the cat?
Yeah.
Just come over here.

It's getting late. so I'll head over to retrieve my body
That statement is kind of amazing.

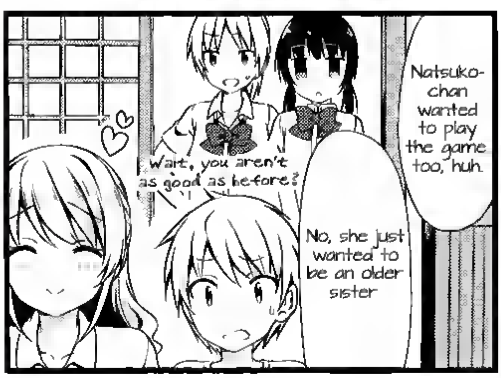


Klatch
Welcome
Satsuki's house.
Haruko's still playing games with my brothers

Glow
All right how about one more game with Onee-san here!



2P



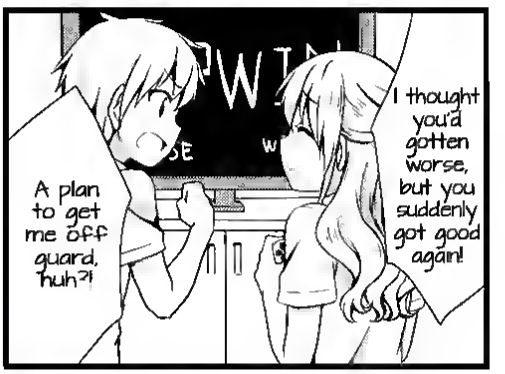
Natsuko-chan wanted to play the game too, huh.
Wait, you aren't as good as before?
No, she just wanted to be an older sister

Kyuun
It's almost as if I have brothers..!
きゅん

Brother
Night.
Yume I heard you had a friend over today
Yeah.
Is she cute?
Have big breasts?
Nyaan

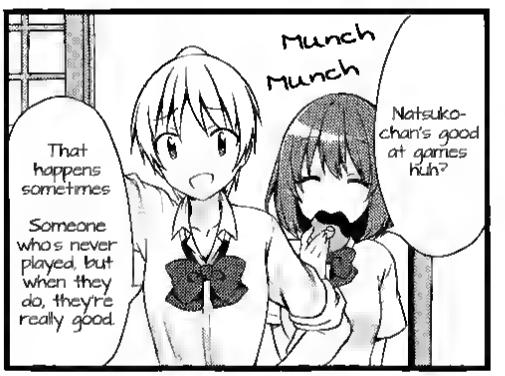
But Natsuko-chan's skill level is different, so they might figure out that we swapped.
My brothers aren't that sharp, so it'll be fine
Satsuki

She's extremely cute.
Nyaan



I thought you'd gotten worse, but you suddenly got good again!
A plan to get me off guard, huh?!

Her breasts
Hmmm.



Munch Munch
Natsuko-chan's good at games huh?
That happens sometimes
Someone who's never played, but when they do, they're really good.

Big on the inside but small on the outside I guess?
What the heck?
Brother
ZZZ

Natsuko-chan, play against me!
I will not lose!
Ah, Haruko's gotten worked up
What a troublesome turn of events
My parents will be home soon, you know!

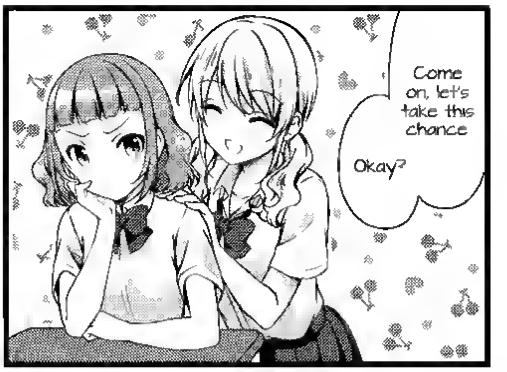
I know!
Why not invite Fuyumi-san?
Thump
I was included in the group!
Thump
I'm happy...

Cooki
Be sure to bring:
Apro
Scar
Next time we'll be cooking, so form five-person teams
If you haven't by then, I'll randomly decide for you.

Ah, she looks obviously against it before we've even said anything.

What should we do for our team?
We've only got four, so we're one short

After explaining things...
I see so Fuyumi-chan occasionally lends her body to Akiho-san, who can't come to school much.

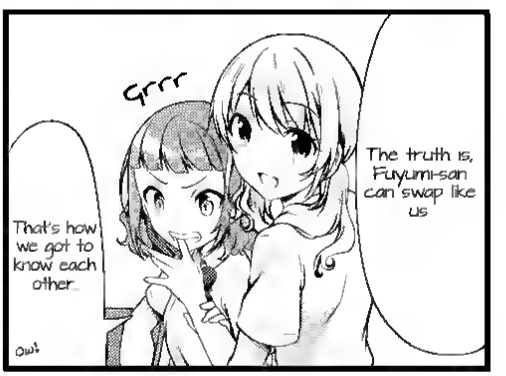


Come on, let's take this chance
Okay?

That makes a lot of sense
Why's that?

Natsuko-chan, when did you befriend Fuyumi-chan?
Does that look like they get along?

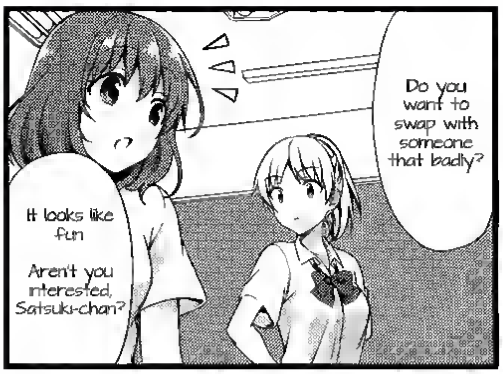
On tests sometimes you're competing with Haruko-chan for the highest grade in the class.
while other times you're competing with Natsuko for the lowest
I was wondering why that was



Grrr
The truth is, Fuyumi-san can swap like us
That's how we got to know each other.
Ow!

Akiho-chan's smart, huh?
Hmmph
I hate studying!

So Fuyumi-san is doing lots of kissing like you, Natsuko
You don't need to explain it like that!
Though it's not wrong...



Do you want to swap with someone that badly?
It looks like fun
Aren't you interested, Satsuki-chan?

Press
Get away!
I know!
Maybe we can also swap if I kiss you, Fuyumi-chan!
No way!
I tested it on a dog.

I'm fine with being myself
Of course, there are some things I'm unsatisfied with, wishing I was more like this or that, but I accept that as being part of me

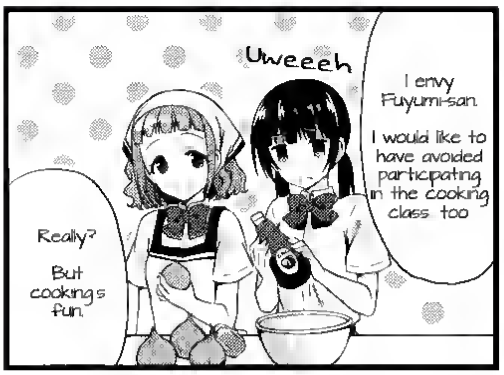
And I'll never kiss anyone but Akiho

Satsuki-chan, you're cool!
Stop that, it's embar-rassing.

Ooh, you're single-hearted huh.

Chew
Chew
We can't say anything!

Don't turn it on me!
What's that supposed to mean?!
But so is Natsuko-chan.

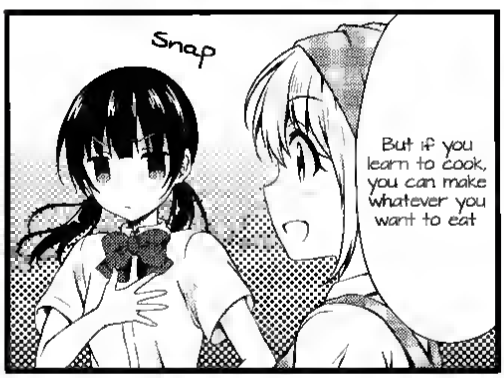


Uweeeh
I envy Fuyumi-san.
I would like to have avoided participating in the cooking class too
Really?
But cooking's fun.

And so, let's work together for the cooking class!

I specialise in eating the food!

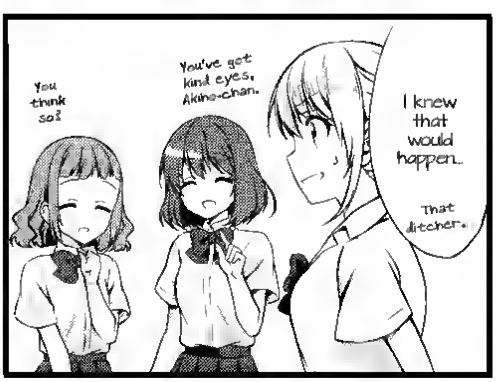
Sigh
Fine



Snap
But if you learn to cook, you can make whatever you want to eat

Day of the class.
I'll be on your team for the cooking class

Playing a game of guessing what will come while you wait is also wonderful!
Is that so?



You think so?
You've got kind eyes, Akino-chan.
I knew that would happen.
That bitcher.

What should I do?
I'll beat the eggs
Could you chop up the other vegetables Akiho-san?

What are we making, anyway?
Omelette rice!
Eggs

Glance
Glance
Huh, where's Haruko?

Let's divide up the tasks
I'll prepare the chicken
I'll chop the onions, then
Natsu

Haruko?!

Stare
Ah, it's getting in my eyes

I have become part of the cooking table so I cannot come out
She wants to avoid cooking that badly..

I was just thinking that crying girls are cute
Ufufu
Akiho-san?

The chicken rice is done
All that's left is to cover it with egg
How about we each do our own?

Pulled out.
You fry the chopped ingredients, Haruko!

It's a bit off-center, but I did it
Slip

Stir
Stir

You two are really good!
You could run a shop

Munch

Stir
Stir

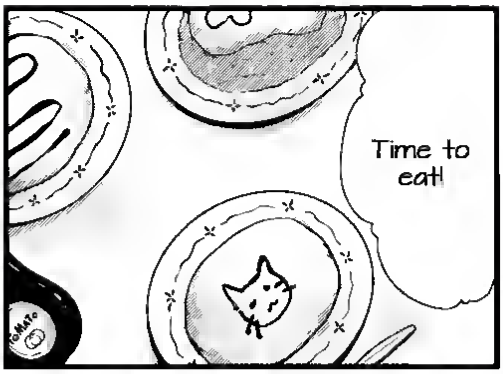
Boom
I did it too
Isn't the egg to rice proportion a bit off?!

Haruko, are you munching on something?
Taste testing is important
Munch Munch



Time to eat!

You do it too, Haruko
Okay..

I know the feeling
Time to eat
Not having to bring a lunch on days with cooking class sure is nice

Ehh, but this isn't enough

Shake
Shake

Yeah..
It's not enough for you, huh, Yume..

Ooh.
All right then
I feel like I will mess up so I am too afraid to do it
You do it, Natsuko-chan..
Natsuko, don't baby her!
Satsuki

Thinking about how we can be friends with those four from now on makes me look forward to school even more.
Akiho's house.
Welcome back.
How was the cooking class?
Jealous?
Not really
We've been trying to hide that we swap so we haven't been making any friends
So this was very different
It was a lot of fun
Rub Rub
It's all right
You'll have fun too Fuyumi-chan
Smooch
Thank you, Fuyumi-chan
I feel a terrifying aura from her...
But I'm not sure I can get along with that one whose eyes don't shine
Was that a thank you kiss?
Or a kiss to turn back?
Maybe both, heh ♥

Dohoho
Making me collect everyone's worksheets just because I almost failed the math test...
All that's left is...
Ah, perfect timing.
I need your math worksheet...
数学I
Huh?
Am I...
being avoided?
scuttle
Um.

Smooch
Waaah
Haruko!
Please, lend me your body!
It's that girl
I'll be right back
What happened this time?
But before that
Satsuki!
It seems like I'm being avoided by a girl in the class
I want to borrow your body and ask her why
Watch Haruko for me
Make sure she doesn't do anything strange with my body.
If I'm doing something wrong, I want to fix it!
I do not mind lending it to you, but that seems a bit tasteless..
Are you sure?

Sorry for calling you out
It's fine.
I haven't really spoken to you much, Ichinose-san, so I'm glad.

Thump
Thump
Ungh, even though I'm swapped, it's a bit difficult to speak to someone after I was avoided

Um, getting straight to the point, have you been avoiding Natsuko lately?
It feels weird talking about myself!

Um, could I talk to you?

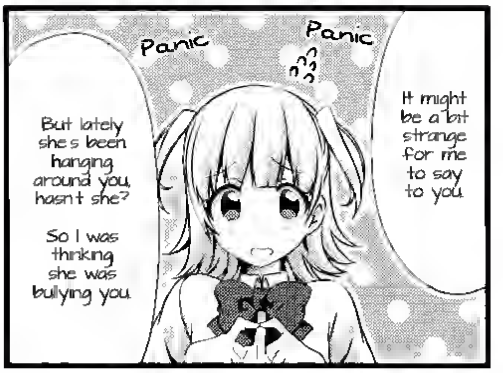
Ahh... you noticed?
Yeah, I have

にっこり
Smile
What is it, Ichinose-san?

Hearing it like that makes my chest hurt!
Sway
What's wrong?

It feels complicated being smiled at so brightly
Shiver
Shiver

Show me!
I know!
I'll show you a picture of when she had black hair!
This is when she was in middle school



Panic
Panic
It might be a bit strange for me to say to you
But lately she's been hanging around you, hasn't she?
So I was thinking she was bullying you

Wow, Nikaido-san looks like a different person!

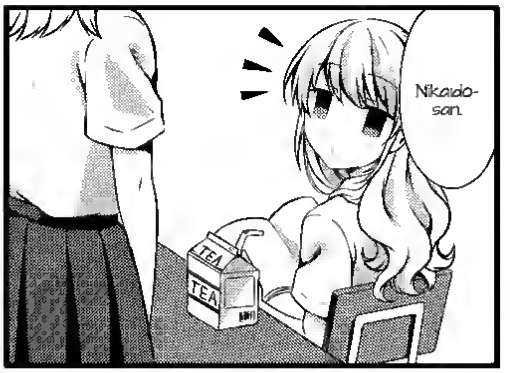
No, I get along really well with Haruko!
I mean, I get along really great with Natsuko!
Eh?

But why do you have a middle school picture of Nikaido-san on your phone Ichinose-san?
I can't tell her this is my phone

Hs that so?
That was a really strange mess up.
But Nikaido-san's the only blonde in the class..
There aren't any girls like that in our class...

I love Natsuko so much that I had her send it to me
H-Huh
There's no way these two are just friends!

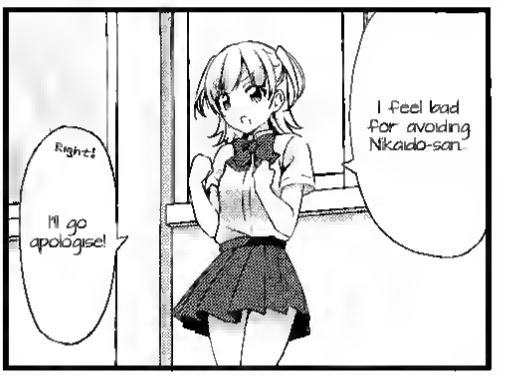
She's blonde because she just likes that look, that's all!
Pweeeen
I see.
Ichinose-san, you know a lot about Nikaido-san, huh.



Nikaido-san.
TEA
TEA

What so you and Nikaido-san are actually really close huh.
Thanks
If you hadn't spoken up to me Ichinose-san, I would have gone on misunder-standing her

Bow
I'm sorry, I misunderstood you and was avoiding you.

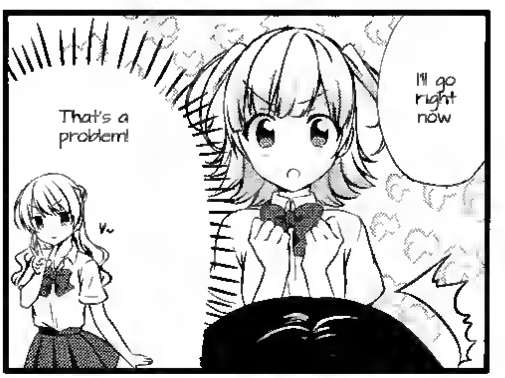


I feel bad for avoiding Nikaido-san.
Right!
I'll go apologise!

I do not mind.

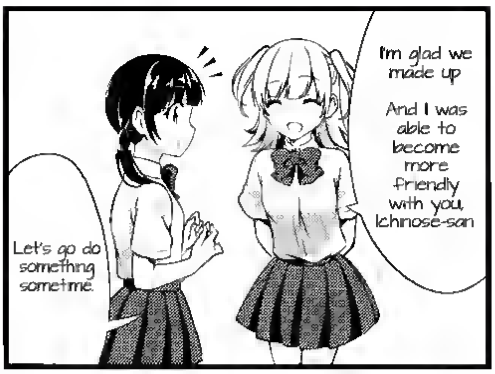
It's fine.
I can see your feelings well enough.
I'll tell her
No I've got to tell her myself

It seems like I have really misunder-stood you..
You read that kind of thing...
Thump
Thump



That's a problem!
I'll go right now

Okay
See you later, Ichinose-san Nikaido-san



I'm glad we made up
And I was able to become more friendly with you, Ichinose-san
Let's go do something sometime

She wants to go do something this weekend
Sorry, it's gotten a bit complicated
No I am actually happy to have made another friend

Ah, all right sure
Jump
Jump

I hope I can make friends with all the girls in the class

Stare

By the way, do you know that girl's name?
No
Start with that

Ichinose-san, are you free this saturday?
Ah, hmm, I'm not sure
Without realising it I have gained another friend

Do you not have any pictures Haruka?
I have some at home but not in my phone
I did not have a phone in middle school.

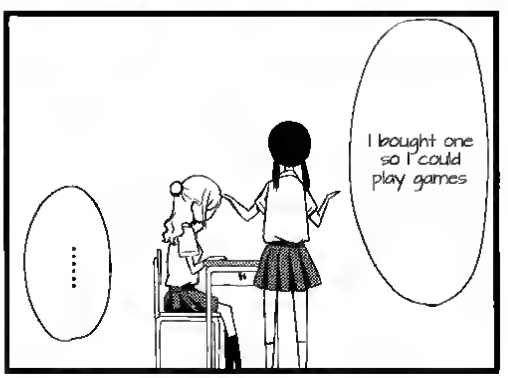
What did you two talk about?

I did not have any friends I was close with, so it was not necessary

I just asked why she was avoiding me.
And I showed her a picture of me in middle school
I want to see that too

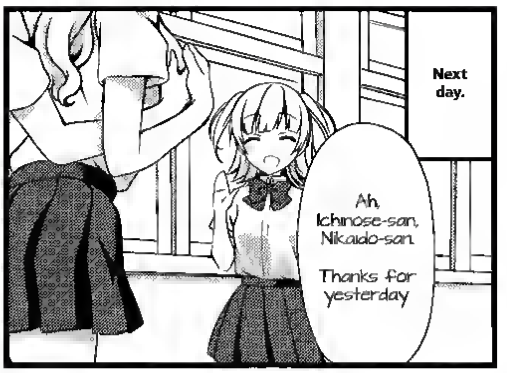
Ah, but you need one now so you bought one, right?

Ooh.

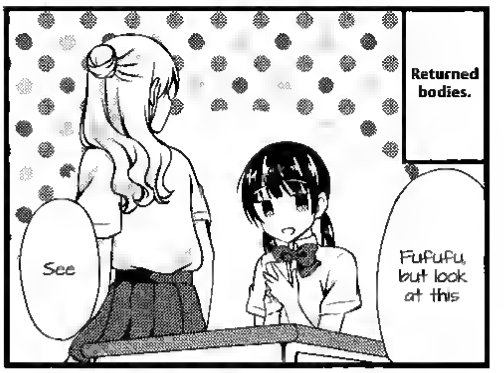


I bought one so I could play games
……

You were big even in middle school.
I figured you'd say something like that



Next day.
Ah, Ichinose-san, Nikaido-san
Thanks for yesterday



Returned bodies.
See
Fufufu, but look at this

No it's fine
Don't worry

Nikaido Natsuko

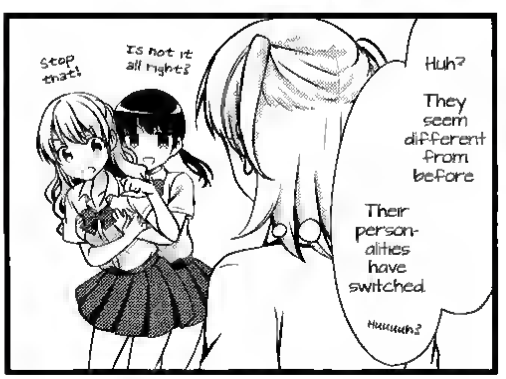
Natsuko-chan!

Hey stop it Haruko!
I helped you, so let me have a little!

Natsuko-chan, you are the first number I have put in outside of my family
Next I will ask Satsuki-chan and Yume-chan
And later, Akino-san and Fuyumi-san.
And that girl from earlier, too!



Stop that!
Is not it all right?
Huh?
They seem different from before
Their personalities have switched
Huuuuuh?

Rub
Rub
And she's so cute when she talks like this

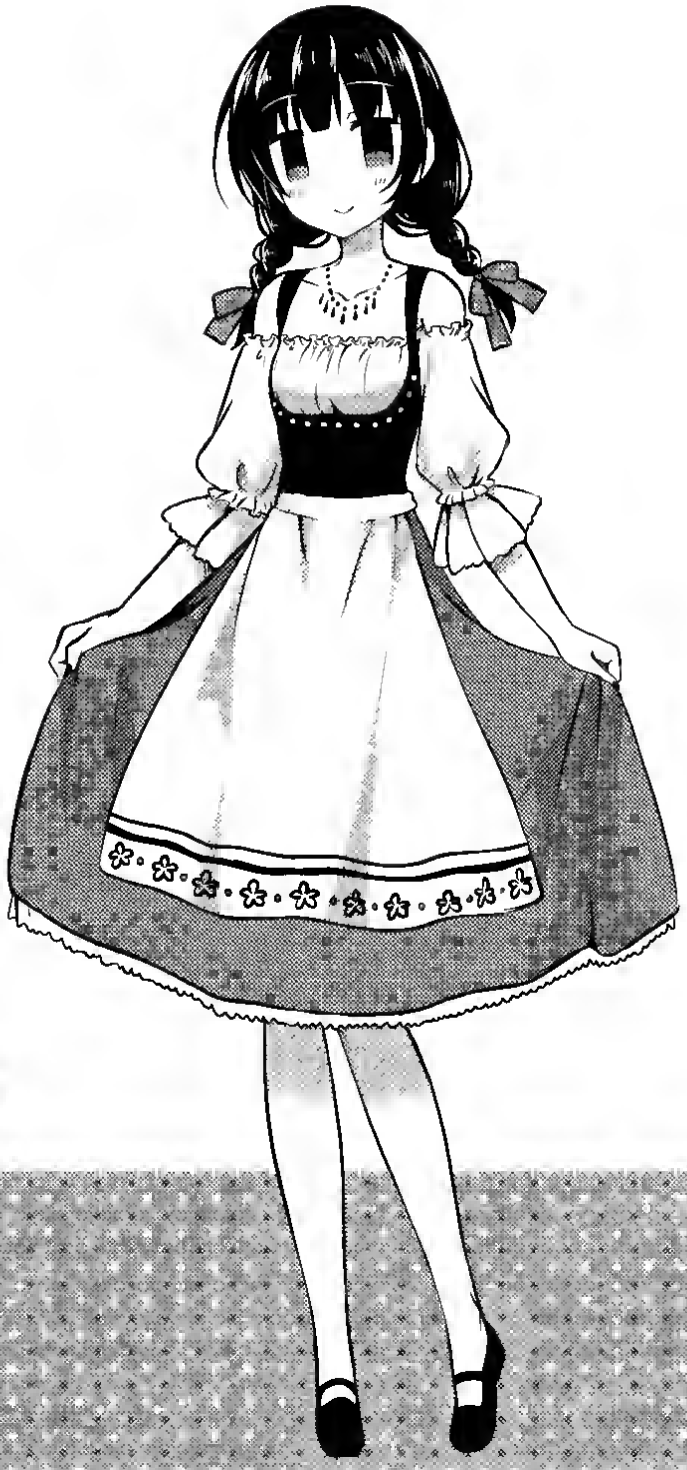
You two... seem backwards

Nikaido-san was looking at gravure yesterday, but now Ichinose-san is groping her breasts
Ahahaha~
Oh no!

I've got to make an excuse.
Me and Haruko both love boobs!

Eh, I see, huh.
Roar
She misunderstands even worse now!

See you again in volume 2!



すきっぷすきっぷ

Hello, I am Tomekichi.

Thank you very much for choosing "Swap⇔Swap" from among the large number of manga out there.
I have put out a few volumes before, but this is the first time one has been labelled "Volume 1", so I am very happy.
One of my goals has been reached.
I will do my best so that you enjoy the next volume even more.
I am counting on you.

Also, I am thankful from the bottom of my heart to everyone who has been involved in this manga.
I am especially thankful to my editor, Takenouchi-san.

Thank you very much.
